

TBNET ACADEMY 2023 FELLOWSHIP SCHOLARSHIPS

3-Day Tuberculosis Academy especially for students, residents, fellows, doctoral students and post-docs (up to 3 years post exam).

A forum for young clinicians and researchers in the field of tuberculosis to exchange ideas and to learn from each other under expert guidance and mentorship.

The program includes:

Keynote lectures on:

- Tuberculosis in the Baltics
- TB care under siege
- TB as a social disease
- Therapeutic drug monitoring
- Imaging TB
- Mind the gap

Reviews (provided by participants) on:

- TB epidemiology & prevention
- TB diagnostics
- TB treatment
- Child TB
- NTM-diseases

Special features:

- Cases from Riga East University Hospital
- Year in review
- Career planning
- Teaching ward round
- Visit to the TB laboratory
- Action against TB
